

2022 Congressional Art Competition

Dear Teacher,

Each spring, the Members of the U.S. House of Representatives sponsor a nation-wide, high school art competition: the Congressional Art Competition. Since its inception in 1982, this competition has provided a unique opportunity for high school students from across the U.S.—and the Second Congressional District—to showcase their artistic talents. With over 650,000 students having participated in the last 40 years, the Congressional Art Competition has continued to be a wonderful opportunity to recognize and encourage the talents of students from across the country.

The Congressional Art Competition, sponsored by my office, is open to all high school students attending a high school located in the Second Congressional District of Massachusetts. The winner of our District's competition will have their artwork displayed for one year in the U.S. Capitol. The exhibit in Washington will also include artwork of other district competition winners from around the country. The national reception will be held in Washington, D.C. at the end of June (more details to follow).

Artwork must be dropped off at one of my district offices by 4:30pm on Friday, April 22, 2022.
